# Navigating Electric Vehicles (EV)

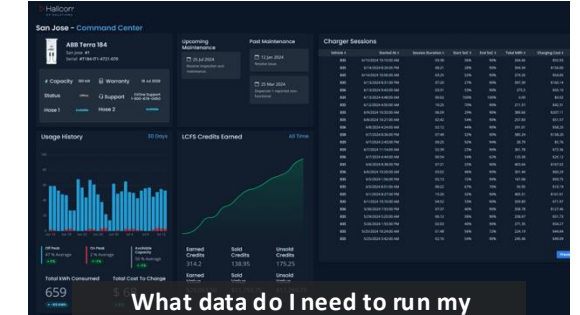

Where should I build my EV Charging Site?

What infrastructure do I need to meet my program needs?

How do I build out my charging site?

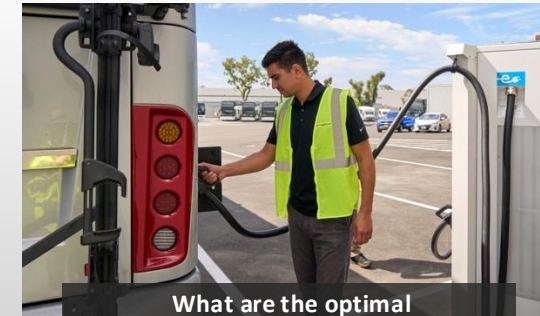

What data do I need to run my program?

How do I operate my shuttles around charging windows?

How do I maintain my charger?

What are the optimal charging schedules?

# Ready to unlock the full potential of your campus transportation?

**Howard Lindo**  
Director

**Most transportation is outdated. Inefficient. Low value.  
It's been done the same way for years.**

We've redefined what you should expect from your transportation.

Our solutions are next level.  
Let us bring them to you.
